Attachment A

This warrant authorizes the use of the electronic investigative technique described in Attachment B on the cellular telephone assigned phone number 614-735-5092 (The Target Cellular Device), whose wireless provider is T-Mobile USA, INC.

Attachment B

This Warrant authorizes the officers/agents to whom it is directed to determine the location of the cell phone identified in Attachment A by collecting and examining:

1. radio signals, emitted by the Target Cellular Device for the purpose of communicating with cellular infrastructure, including towers that route and connect individual communications; and
2. radio signals emitted by the Target Cellular Device in response to signals sent to the Target Cellular Device by the officers/agents

for a period of thirty days, during all times of day and night. This warrant does not authorize the interception of any telephone calls, text messages, or other electronic communications, and this warrant prohibits the seizure of any tangible property. The Court finds reasonable necessity for the use of the technique authorized above. See 18 U.S.C. Section 3103a(b)(2).
